

## **CHAPTER 9**

### **9.4 Communications**

#### **9.4.1 Board of Education Meetings**

When feasible, board of education meetings will be preceded by a notice of such meeting and will be followed by a resume' of its proceedings by release of such information by the secretary of the board to the news media of the area.

#### **9.4.2 Complaints**

All complaints should be filed and handled by the procedures described in Section 1.5.6.

#### **9.4.3 Printed Materials**

All printed materials pertaining to Marshall County Schools must be submitted for approval by the superintendent **before** its distribution, in an effort to coordinate and conform with general policies.

#### **9.4.4 Press, Radio, Television Relations**

It shall be the constant endeavor of the Marshall County Board of Education, its staff and employees to maintain a wholesome relationship with the press, radio, and television media.

Those above named media shall be welcomed to meetings of the board and to all other school activities and functions.

#### **9.4.5 Use of Students**

It is permissible to use students for the dissemination of communications to the home and community provided the provisions of Section 9.2.3 are followed.

#### **9.4.6 Use of Board Members, Staff**

Board members and staff shall make themselves available to carry out any communicative assignment that will serve the best interests of Marshall County Schools.
