

2017-18 MCS GRADING/REPORTING DATES

(REPORT CARDS, INTERIM REPORTS, PROGRESS REPORTS, ELRS)

The following schedule describes end of grading periods and a timeline for grade entry, printing and distribution of report cards. Primary grades will continue to use standards based report cards. PK will enter ELRS data at three points. K will enter ELRS at the beginning and end of the year. ~~K report cards have been reduced to three reporting dates to make room for mandatory ELRS reporting.~~ After discussion, K will utilize four report cards. Live grades needs to be done in a timely manner to secure accurate communication with parents. Timely report cards start with timely entries into live grades. Thank you.
