The Marshall County Board of Education met in regular session Tuesday, January 14, 2020, 7:00 p.m., at McNinch Primary, all members having been notified of business to be considered.

Present were: President John Miller, Vice President Christie Robison, Members Brenda Coffield, Lori E. Kestner, Dr. Duane Miller; Secretary Dr. Shelby Haines and Members of the County Administrative Staff.

Jaime Pettit, Moundsville Middle School teacher, addressed the Board regarding the professional salary schedule for employees with a doctorate degree. Mrs. Pettit asked the Board to consider an increase from MA+45 to doctoral level.

The Marshall County Childhood Cancer Group, Brenda Crow and Brenda Frohnapfel presented a certificate and a banner to Marshall County Schools for their support and donations.

Superintendent Haines gave the Board a survey hand out from other counties regarding the Opioid Class Action Case. Most counties are waiting for more information. The general concern is the lack of hard evidence that the school board would have to offer in one's such case.

Principal Casey Storm spoke on behalf of the Central Elementary Local School Improvement Council. Mr. Storm highlighted Title I, special programs and technology. Students from each program demonstrated how they are progressing academically.

Principal Krenna Allender spoke on behalf of the Sand Hill Elementary Local School Improvement Council. Mrs. Allender showed a video reflecting Together we Achieve, Lead and Learn. The video covered both academics and student behavior.

Principal Jane Duffy spoke on behalf of the McNinch Primary Local School Improvement Council. Mrs. Duffy reviewed the school's activities they participate in and gave a handout describing Osmo/Dot/Dash Apps.
