Superintendent's Reports:

We are beginning to wrap things up for the school year. State Testing is upon us, as well as many other end of the year activities. We are trying to make as many of these things happen as we can with the required COVID restrictions. If anyone wants a COVID vaccination, they can simply email me and we will get them vaccinated. This is for anyone 16 years of age and above. We are planning our principal training week for the week of July 13th and have a great week planned focusing on mental health and behavior intervention resources, as well as assuring that everyone understands all legislative updates that will occur.
