This policy has been updated to reflect current statute.

Policy 5330 - Use of Medications (Revised)

This policy was revised to clearly state that schools may only stock epinephrine and opioid antagonist by Board policy. If the Board approves such policy, then naloxone training and stocking protocols shall be allowed under a written standing order from the State Health Officer. Naloxone training and stocking protocols shall be allowed under a written standing order from the State Health Officer.

Policy 5331 - Administration of Opioid Antagonists (Revised)

This policy is only necessary if the board has chosen to stock opioid antagonists at PO5330 - Use of Medication). The following language was added to this policy:

Naloxone training and stocking protocols shall be allowed under a written standing order from the State Health Officer. Certified RNs shall receive Naloxone training either in person or through online education with the State Health Officer or an appointed entity by the State Health Office.

Educational materials and training will be provided to the certified school RN, other licensed nurses, and school employees working in the opiate-related overdose prevention and treatment programs, as well as materials on administering the prescribed opioid antagonist.

Certified School RNs will complete and submit the DHHR Prescription Drug Overdose (PDO)/State Targeted Response (STR) Grants Naloxone Distribution training form to the appropriate agency upon completion of training.

This policy has been rescinded and recodified at Policy 2230.06 - Cardiopulmonary Resuscitation Instruction.

LOCAL CHANGES

Policy 3432/4432 PERSONAL LEAVE BANK

There is little in the existing policies (identical for professional and service) regarding processes for repaying and the amount the superintendent may approve. Current members pay back at a rate of three days per year. The major change is increasing the rate of payback to five days per year (to match the amount of permissive personal days—formerly three—when this policy was adopted) for members who join after July 1, 2024.

3120.03 ATHLETIC COACHES

Adding to the policy, “Citizen coaches who coach a WVSSAC sport or Marshall County club sport will be evaluated in accordance with West Virginia Department of Education Policy 5310.”

4250 EXTRA DUTY ASSIGNMENTS

This policy was NOT adopted in 2019 as it should have been. It just mimics state code, but has a section that states how curricular/extracurricular job assignments are handled for service personnel, and allows for modifications to that based on the majority of service personnel in that classification to vote. This policy combines the policies from MCS policies/procedures from before NEOLA was adopted and are currently followed today.

0147 COMPENSATION

This changes the language of pay per meeting after July 1, 2026, from “a rate not to exceed \$160” to “the state maximum allowable as defined in West Virginia code 18-5-4” and reduces the maximum number of meetings from 50 down to 40 in accordance with HB 5514. Other changes will be addressed by NEOLA in future updates.
