

A Note to Incoming 4th Graders

I am excited that I will be your 4th grade teacher when the new school year begins in August. I am looking forward to a wonderful year.

I just want to share with you a list of supplies that we will be using during the school year.

- 3 to 4 sharpened pencils with erasers
- colored pencils
- glue (glue stick preferred)
- scissors
- supply box or zippered bag to hold supplies
- loose leaf paper (wide ruled preferred)
- 2 spiral bound notebooks
- 1 stenographer's notebook
- 2 pocket folders

- Hand sanitizer
- Clorox wipes
- 3 boxes of tissues

- A book to keep at your desk to read for pleasure

Please label any items that you have and remember the desks are small and the text books are big, so there is not a lot of extra room!

We look forward to working with you!
