*****Reading for Education
A big thank you to all parents who returned the reading for Education packets with completed addresses. At this point, we will receive approximately $1100.00 for the school. The money will help support the monthly positive behavior program celebrations. Congratulations to Aubrey Lilley for returning a completed book and winning the remote control robot. If you still have packets at home, you can return the packet on Monday, September 14th.

*****Baby Wipe Donation Request
As you may be aware, we are using baby wipes to clean hands after lunch this year. We are taking this precaution to prevent the spread of allergen foods. Any donation of baby wipes would be greatly appreciated. Please send in any baby wipe donation any time throughout the school year.

*****PTO Membership
If you would like to join PTO, the membership fee is $2.50. Please send to school with you child’s name on the envelope. The class with the most memberships will receive a reward.

*****Hilltop Boosters Car Wash
The Hilltop Football/Cheer boosters will be holding a car wash on Saturday, September 19th from 1-5 at Progressive Bank on National Road.

*****Ag Day
The 5th grade class will be participating in Ag Day at the Marshall County Fairgrounds on Thursday, September 17th. Information and permission slips were sent home last week. Please notify the school if you did not receive a form.
****Schrader Center Field Trip

The 4th grade class will be participating in a science based field trip to Oglebay Schrader Center on Thursday, September 17th. Information and permission slips were sent home last week. Please notify the school if you did not receive a form.

****Pre K Dismissal

Pre K will begin school on Tuesday, September 8th. Due to the cafeteria being used during the 1:00 dismissal time, we are asking that all Pre K parents pick up their child from the double doors on the main entrance side of the cafeteria. It will be a congested area with students using the stairwell to return to class after lunch. Please be prompt and quick in signing out your child. This will help to alleviate crowding during dismissal times. Please use the parking lot and keep the bus lane open for the buses arriving at 1:00. This will also be recess time for students. Please be very careful when driving near the school at that time. Students will be walking to and from the upper playground. The entrance may be blocked off during that time; however, you are permitted to enter through the wrong way at that time only. This reduces traffic flow through the area where students will be present.

****Recycling News

The 2015-2016 school year has started and so begins another good year to recycle. Recycling at Hilltop is changing a little. We are anticipating the establishment of a “Green” team made up of 5th grade students that will assist in the recycling contest process. The 5th grade participants will receive various rewards for their dedication throughout the year.

- Recyclable items are non-alcoholic #1 plastics which earns prizes and money through the Pepsi Company.
- Please bag all items as it helps if they are not loose.
- Please do not leave trash.
- Hilltop Elementary also collects Box Tops, Campbell’s Labels, and Capri Sun pouches.
