CAMP OVERSIGHT

We want the students to experience the fun of football. We are going to concentrate on the basic fundamentals and stress character, discipline and work ethic. All campers will go through linemen, receiver, quarterback and running back drills on offense. Defensively, all campers will take part in secondary, linebacker and line drills, We feel that players at this age need introduced to all parts of the game. The most important part of the camp will be to have fun and expose the campers to people who have strong character and great work ethic both athletically and academically.
